

Contract Training

DESCRIPTION OF MAJOR SERVICES

Contract Training represents a special law enforcement training function provided to the Sheriff Department and other law enforcement agencies that prepare candidates for law enforcement positions and update skills of those already in the field. Fees for service provide the funding for contract law enforcement training activities. A large contract for driver training with San Bernardino Valley College provides substantial funding for this program.

There is no staffing associated with this budget unit; however salary and benefit costs are reimbursed to the general fund for those positions billing for their services at both the Emergency Vehicle Operations Center (EVOC) and the Training Academy.

Expenditures in 2006-07 were also less than budget due to reduced equipment expenditures, while revenue increased related to Peace Officer Standards and Training (P.O.S.T.) reimbursements from the state.
